Dear Parent/carer

## **RE Breakfast Club Parking**

Thank you for all your support with the decision to close the school car park to families dropping children off at Breakfast Club. I am sure you will agree that the children are now much safer walking through the car park.

However, I am aware that this had resulted in Wellhouse Lane has becoming busier, especially around the time when Breakfast Club opens at 8:00am. Following discussions about this at a recent Governors meeting, school has been offered the use of the Mirfield Evangelical Church car park, opposite school. As many families walk to school through this car park, it has been decided to only open it between 7:50am and 8:15am and only for parents using our Breakfast Club.

Starting from Monday 1 December we will be opening the church car park for a 3 week trial period until Friday 19 December the end of the Autumn Term). Mr Crowe or Mr Hill, our caretakers, will open and close the car park each day. If you decide you would like to use it please can I ask you to be considerate to each other. Using the car park after 8.15am could result in your car being locked in.

Thank you for your continued support.

Yours sincerely

Catherine Lockwood
