Dear Parents/carers

Do you want to be responsible for hurting a child? We still feel very unsafe on and near the roads around school when we are coming to or going home from school. We understand that everyone has busy lives and time is precious but our safety and wellbeing is very more precious and irreplaceable.

Please remember to be safe and considerate, remember you could be creating dangers by:-

- Turning round in the road
- Parking in the 'Drop and Go' zone
- Parking on double yellow lines which forces us to cross between parked cars
- Blocking the driveways of our neighbours
- Stopping on the hatchings outside the school barrier
- Cars driving along the pavement where we are trying to walk
- Parking right up on the curb so that mobility scooters or buggies cannot fit past.
- Double parking and parking across corners.
- Dropping us in the middle of the road.

All of these issues make it hazardous for us and we are asking you to park further away from school and walk the last bit of your journey.

Thank you
From Junior Road Safety Officers
