Competition Time!

Pupils - We need your help!

As you are aware traffic in front of school is still very busy on a morning and after school. We need to continue to raise awareness about keeping everyone safe outside school. This year we need you to design a leaflet that we can share with everyone using the roads around school at drop off and pick up times. We also want to share the leaflets with local taxi firms too. The leaflet could potentially be handed out when people are leaving their cars in unsafe places putting us all at risk.

The winning idea will be then made into an A4 sized leaflet and it will need to be eye-catching, bold and informative. Above all it must inform people how to park, drive and act safely outside school. We need to promote parking a little further away from school and then walk the last little bit. How could you persuade parents and carers to park and stride? What are the benefits?

Remember we all need to work together to keep all of us safe!

Please hand your designs in to your class teacher by Friday 10th February 2017.

Thank you and good luck!

The Junior Road Safety Officers
