23 January 2015

Dear Parents/Carers

## Re: Traffic outside school at pick up and drop off times

I am writing to inform you of the action taken in school in response to the problems with traffic outside school.

### 1. We have written to the following people:

- Simon Reeve, MP for Dewsbury
- Martyn Bolt, Conservative District Councillor (Mirfield)
- Karen North, Senior Traffic Investigations Officer (Kirklees Highways)
- Dee Collins, Acting Chief Constable for West Yorkshire

The specific information forward to them relates to the problems caused by:

- cars mounting the pavement
- school text messages, letters and signage being ignored
- parking in the drop and go zone meaning children are forced to cross between parked cars

### 2. Where registration numbers have been taken, these have been forwarded to the Police, by school and/or parents

**3. There will be a meeting for parents** in school on Thursday 5 February 2015 at 9.30am. Karen North will be attending this meeting and it will provide the opportunity for parent parking to be discussed.

Thank you to those parents who have written into school. If you are unable to attend the meeting, please email any information or suggestions to the school office.

Yours sincerely

Catherine J Lockwood  
Headteacher
