Application Form for Junior Road Safety Officer

What is a Junior Road Safety Officer?
As a Junior Road Safety Officer you will be a road safety champion in your school. You’ll find ways to help others learn to stay safe on the streets. You will use the information on the Junior Road Safety Officer website to help you do your job, with ideas, posters and street safe facts.

What will I be doing?
It will be your job to spread road safety messages by talking to people in school, helping with assemblies, displaying posters and information and organising competitions.

What’s good about being a JRSO?
Teaching other children about safety on the roads, especially the younger children who need more help, and knowing you’re helping people in your school and friends and family stay safe.

Please fill in and return the form to your teacher by Friday 7th October.
