

## Crossley Fields School Weekly Newsletter

30. 11.18

### **Picking up your children after school**

Please ensure that when you drop your children off at school they know who is picking them up and where they will be met. We appreciate circumstances can change but we are repeatedly interrupting class learning to pass messages both reaffirming and changing pick up arrangements.

### **Reverse Advent Calendar**

As part of our work with the children on kindness and helping others, Mrs Brady is running a 'reverse advent calendar' in school. If you have any donations of non perishable food items or basic toiletries please send them into school with your child over the next few weeks.

### **Traffic – One Way System**

Would parents please continue to come up Greenside Road so they can drive down Wellhouse Lane to drop their children off safely at the drop and go zone. If parking near school, please be considerate to our neighbours and not block any driveways or entrances.

Could we also ask that parents are courteous to the ladies and gentlemen who volunteer every morning to help keep our children safe outside school.

Also please be respectful of our school community by not using bad language at the drop and go zone.

## **Kirklees Additional Needs Register**

Over the summer Kirklees Local Authority have been redeveloping the Kirklees Additional Needs Register and registrations recommenced on Monday 5 November. We need your support to ensure that parents and carers of children with SEND are aware of the register.

### **What is the Additional Needs Register?**

Under the Children Act 1989 all local authorities are required to maintain a register of children and young people with special educational needs and or disabilities in their area. In Kirklees this is known as the Additional Needs Register. Registration is voluntary and can only be completed with consent.

The information we receive from the registration form will give us a clearer picture of special educational needs and disability in Kirklees and helps us to plan services across Education, Health and Social Care.

### **To register children or young people must:**

- Be aged between 0-25 years of age
- Live in Kirklees or be the responsibility of Kirklees Council
- Have a special educational need and / or disability

### **How will children and young people with special educational needs and disabilities (SEND) and their families benefit?**

- By registering, families are helping to provide a bigger picture of SEND in Kirklees which will help to support commissioning decisions.
- Where agreed to, families can receive a termly SEND newsletter providing information on relevant subjects / opportunities.
- Registration entitles the individual and one parent or carer to a free 'Flexi Card' with Kirklees Active Leisure giving a 20% discount on a wide range of activities.

Posters and postcards raising awareness of the Additional Needs Register are currently being distributed to all schools and settings.

Please could we ask for your support to ensure these are placed in areas visible to parents and carers.

Online registrations can be made at:

<http://www.kirklees.gov.uk/additionalneeds>
