## **Picking up your children after school**

Please ensure that when you drop your children off at school they know who is picking them up and where they will be met. We appreciate circumstances can change but we are repeatedly interrupting class learning to pass messages both reaffirming and changing pick up arrangements.

## **Traffic**

Could we ask that parents are courteous to our neighbours. If parking near school, please be considerate, not blocking or using any driveways and entrances and turning car engines off when parked.

Also please be respectful of our school community by not using bad language when dropping off and picking up.

## **Eid**

We wish all our families a special time together in their celebrations after the half term holiday.

The school will be following Kirklees guidance and the practice of neighbouring schools in authorising one days leave for Eid.

## **Sports days**

Spectators are more than welcome but we must stress that there will be a **strict no photography or filming policy** in place other than those taken by school.

Animals, foul language or aggressive behaviour will not be tolerated.

Parent/carers/family members please bring your trainers you may be encouraged to take part in some events.

All of the sports days will be held on the field at the back of school. This can be accessed on foot via the car park and between the fenced forest area and Year 6

### **Fundraising for bike shed at school**

Myself & Joanna are raising money in order to fund the provision of a bike shelter at school. We are both passionate about cycling and we'd would love for more kids to have the opportunity to cycle to school.

We know from talking to other parents that they'd be more likely to cycle to school if there was somewhere safe and dry to keep the children's bikes during the day.

I'm kicking off the fundraising by cycling 54 miles from London to Brighton on the 16th June 2019. I'd be so grateful if you could help support this exciting cause by donating either via this JustGiving page, directly to school or to myself in person.

Thank you very much in advance! Now to get on with my training :)
